Schedule “C”
CUPE Professional Development Fund: Application Guidelines and Criteria
(Revised April 2018) (For Information Only)

What is a CUPE PD Fund?

Under the Collective Agreement between the Board and CUPE Local 3911, there is provision for a professional development fund in Article 27. There is \$ 50,000.00 available annually (the unspent balance at March 31st of each year will be carried forward into the next year). The fund is to be used for “such employee development purposes as are jointly agreed to by the above administrators”.

The four representatives meet no less often than quarterly as the *CUPE Professional Development Committee*.

Who can apply?

You can apply for money from this fund if:

The AU/CUPE Collective Agreement applies to you and you are currently employed, or on the first twelve (12) months of a layoff period. If you are on a twelve (12) month or less temporary Course Coordinator Contract under AUFA your application may be considered by the committee and an exception would be sought from CUPE Executive if funding was approved. **The Professional Development fund is for the benefit of CUPE Local 3911 members.**

What is the purpose of the fund?

The purpose of this fund is to support individual or group activities of a professional development nature as follows:

Fundable activities should be connected to your CUPE work for Athabasca University **and should yield a benefit to your teaching**. For example, participation as a learner in a course, workshop, conference or program should be related to your subject area or to the development of skills (including teaching and technological skills) **and/or to increase understandings in post-secondary and/or adult and/or distance education**. Presentation of papers, participation in poster sessions or panels should be related to your subject area or Athabasca University’s mission. **It is important that you complete the application with a view to informing the committee that your proposed use of PD Funds is appropriate given the guidelines.**

What amounts and kinds of expenses are fundable?

There is normally a \$1,500.00 – 2,000.00 upper limit per applicant per funding year. The approved funding will be based on the location of a conference/workshop/training

opportunity; international travel will be funded to the \$2,000.00 maximum whereas travel within Canada will be funded to the \$1,500.00 maximum. The fund will only support one international application per member per year. All subsequent applications will be funded only to a maximum of \$1500.00 per application.

The fund has primary purposes of reimbursing registration fees and travel expenses of member's attendance at conferences/training activities/workshops relevant to their subject area and the courses the member teaches at AU and/or to fund research activities directly related to the work of tutors and academic experts at AU.

CUPE Professional Development Fund: Application Guidelines & Criteria

Examples of previously funded activities have included:

1. participation in a broad variety of credit and non-credit courses, workshops, etc.;
2. presenter-participation in conferences for papers, panels, poster sessions or other types of presenter-participation;
3. non-presenter participation at conferences;
4. expenses associated with research, in some cases.

***As of April 2014 this fund will no longer pay for Undergraduate or Graduate courses. AU courses can be partially funded under the "tuition waiver" (Article 21).**

Some examples of activities that have not been funded are:

1. personal development courses;
2. recreational programs;
3. course development or revision;
4. activities wholly funded by other employers;
5. purchase of equipment, books or software*;
6. payment of membership dues*.

***These types of expenses can be partially funded by each member's allowance (Article 27.04)**

How and when can I apply?

Applications for funding must be made by completing and submitting a "CUPE Professional Development Fund Application Form". (Available at Forms in the Tutor Services Tab on MyAU)

There is a call for applications (announced on the tutor email alias) *four* times a year – early fall, late fall, winter and spring – schedule as follows (next business day when on a weekend or holiday):

1. **First Quarter – April 01 to June 30**
Applications to be received by **March 01**, or next business day.

2. **Second Quarter – July 01 to September 30**
Applications to be received by **June 01**, or next business day.
3. **Third Quarter – October 01 to December 31**
Applications to be received by **September 01**, or next business day.
4. **Fourth Quarter – January 01 to March 31**
Applications to be received by **December 01**, or next business day.

Applicants are encouraged to apply the quarter before the activity although applications for the current quarter or the earlier quarter (i.e. six (6) months before the activity) will be considered. Activities that have happened more than three (3) months previous to the application will not be considered.

Then what happens?

The committee meets regularly four times a year, as soon as possible after each quarterly application deadline, to consider applications, which have been received on or before the deadline.

Applicants are informed as soon as possible of the results of the committee's deliberations.

You may not get all the funding you have requested. Allocations depend on the availability of funds, number of applications, and the application of relevant criteria (see below). As well, as stated previously, there is normally an upper limit of \$1,500.00 - \$2,000.00 per applicant per funding year.

The funds are approved in principle and disbursed upon completion of the activity with the submission of an online expense claim form, and appropriate original receipts. **Receipts must be submitted no later than 45 days after the activity.** An activity report (200 to 300 words or more) highlights of which may be published in Research News and/or other AU or CUPE publications, **will also be considered.***

The Athabasca University Travel and Expense Claim Policy can be reviewed at: <http://www.athabascau.ca/policy/finance/tutorexpensepolicy.html>

How often can I apply?

You can apply as often as you wish, but the committee will **assign a priority to each application by considering factors of funding as many members as possible, likely value of the planned event to other members, past history of funding, whether international travel (limit of \$2000.00 to any one applicant in a single year), etc.**

**LETTER OF UNDERSTANDING
PILOT PROJECTS OF NON-STANDARD DELIVERY METHODS**

When a pilot project of a significantly new nonstandard delivery method is to be introduced, the parties agree to the following:

1. The employer will provide the union and any affected employees with an outline for the pilot project (for the purpose of obtaining feedback from the union) at least two (2) months prior to implementation. The outline will include: the nature of the project, training needs, evaluation method, compensation including time tracking procedure, if applicable, and assignment of work or posting procedure, if applicable.
2. A pilot project will be for a period of not more than two years. If the employer determines that a pilot project should be continued past two years, the length of the extension will be determined in consultation with the union.
3. Employees engaged in a pilot project will be reimbursed for applicable expenses in accordance with the University Expense Claim Policy adopted by the employer from time to time.
4. Once the pilot project is over, and assuming that the employer wants to regularize the delivery model, the parties will meet to negotiate rates of compensation and the application of the provisions of the Agreement with respect to employee work assignments.
5. Notwithstanding any of the above, no employee will be required to participate in a pilot project. Where an employee declines a pilot project work assignment, the employee's eligibility for future work assignments will not be affected.
6. During the term of this Letter of Understanding, pilot projects shall not be subject to Articles 2.02, 7, and 32.

This Letter of Understanding shall remain in full force and effect until June 30, 2019.

Criteria for Awarding CUPE Professional Development Funds

The committee's responsibility is to allocate available funds as fairly as possible among the applications which have been submitted, while reserving sufficient funds to be fair to the applications which are expected to be submitted in the future. Factors that will be considered as the committee makes decisions about what to fund are:

- 1. how closely the proposed activity is connected to the applicants' subject area and the purpose of the fund;**
- 2. the amount of funding the applicant has received or not received from this fund previously during the fiscal year. Priority will be given to applicants who have not previously received PD funding in the fiscal year;**
- 3. seniority;**
- 4. size of AU/CUPE work assignment;**
- 5. Committee work with AU**

Additional PD conference or training activities may be funded if there is excess money in the PD fund and first requests for funding have been satisfied but only one international conference per person will be funded per year, so subsequent requests will be funded only up to \$1500.00 even if they are international.

**LETTER OF UNDERSTANDING
